Review and Processing Escrow Agreement for Land Development and/or Subdivision Plans

Name of Development: _____

Amount of Security \$ _____

THIS AGREEMENT, is made this _____ day of _____, 20 _____, by and among _____ with its principal place of business located at _____ (hereinafter called "Developer"), and the BOARD OF SUPERVISORS OF LONDON GROVE TOWNSHIP, 372 Rose Hill Road, West Grove, PA 19390, (hereinafter called "Township").

RECITAL

WHEREAS, the Developer owns certain real property located in the Township at _____ and known as Tax Parcel Number(s) _____; and

WHEREAS, both the Township Ordinances and the Pennsylvania Municipalities Planning Code ("MPC") permit the Township to impose fees for review of subdivision and land development plans; and

WHEREAS, the Township Board of Supervisors has adopted by means of appropriate resolution or resolutions a schedule of fees, including a professional services escrow fee, for reasonable and necessary charges required by the Township to compensate its Professional Consultants for services rendered during the review process; and

WHEREAS, Developer has filed an application for subdivision and/or an application for land development ("Plans") which requires the deposit of _____ Dollars (\$ _____) for the review process based upon the aforesaid Resolution.

NOW, THEREFORE, for and in consideration of the Township's review of the Plans, and the mutual promises of the parties hereto made to each other, and intending to be legally bound hereby, the parties agree as follows:

1. For purposes of this Agreement the term "Professional Consultant" shall be equivalent to the definition set forth in the MPC, as that definition may be from time to time amended. The term is currently defined to include, "persons who provide expert or professional advice, including, but not limited to, architects, attorneys, certified public accountants, engineers, geologists, land surveyors, landscape architects or planners."
2. The purpose of this Agreement is for Developer to reimburse the Township for the reasonable and necessary expenses incurred by the Township for review of the Plans by the Township's Professional Consultants.
3. Developer, contemporaneously with the execution of this Agreement, hereby deposits with the Township the sum of _____ Dollars (\$ _____), ("Initial Escrow Amount") as that fee is determined pursuant to the appropriate resolution governing professional services escrow fees as adopted by the Township. Said money shall be held in a separate escrow account ("Escrow Account") by the Township. Developer acknowledges that this amount is only an estimate and that Developer is ultimately responsible for the full cost of the Professional Consultant fees. Developer shall not be entitled to any

interest in connection with the account. Developer shall be entitled to a refund of any balance in the account upon termination of this Agreement and after all Professional Consultant fees have been paid.

4. Upon submission to the Township of itemized bills for Professional Consultant fees, the Township shall within ten (10) days of receipt, provide copies of the itemized bills to the Developer. The Developer shall have one hundred (100) days after receipt of the bill to notify the Township and the Township's Professional Consultants that such fees are disputed and the basis for the objection to those fees. Failure of the Developer to dispute a bill within one hundred (100) days shall be a waiver of the Developer's right to arbitration of that bill under Section 510 (g) of the MPC. 53 PS Section 10510(g). In the event that the Township's Professional Consultant and the Developer cannot agree on the amount of the review fees, the Developer and the Township shall follow the procedure for dispute resolution set forth in Section 510(g), provided that the arbitrator resolving such dispute shall be of the same profession as the professional consultant whose fees are being disputed.
5. Developer shall be required to maintain a minimum balance that is equal to twenty percent (20%) of the Initial Escrow Amount at all times. Immediately after notice from the Township that the balance in the account is below the required minimum, Developer shall deposit with the Township, sufficient funds to restore the balance to the Initial Escrow Amount. Failure of the Developer to deposit the required funds shall result in the immediate cessation of all work by the Township and its Professional Consultants.
6. This Agreement shall remain in full force and effect until the Developer withdraws its Plans; the Plans are denied approval by the Township; or Developer's Plans have received final approval and the Developer and Township have executed appropriate Land Development and/or Subdivision Agreements and corresponding Financial Security Agreements.
7. By execution of this Agreement, Developer authorizes the Township to withdraw and make disbursements from the Escrow Account to reimburse the Township for the payments made to the Professional Consultants, after the expiration of the one hundred (100) day time period discussed in paragraph 4 above, without limitation, and hereby remises, releases and forever discharges the Township from any and all liability, except wanton and intentional misconduct of the Township, with respect to any sum or sums so withdrawn, and directs that the Township shall be entitled to withdraw said sums without further inquiry being made by Township.
8. Developer acknowledges and agrees that the sum deposited in the Escrow Account is for the sole purpose of paying the Township's Professional Consultants, and is not for the purpose of guaranteeing any public improvements or payment to Developer's consultants, contractors or subcontractors who supply labor or materials or perform services in connection with the Plans.
9. Township agrees that the Escrow Account shall not be diminished by it, except upon receipt of invoices from the Township's Professional Consultants, and then only in such amount as set forth in the invoices.
10. If the aforesaid deposits are insufficient to cover the charges of the Township Engineer or other Professional Consultants to the Township for the aforesaid service rendered or any other engineering or consulting services rendered relating to the Plan, Township shall bill applicant for such deficiency. Applicant shall pay Township the amount of such bill. If the aforesaid deposits exceed said charges of the Engineer or Professional Consultants, the balance remaining shall be refunded to the Applicant without interest after final release by the Township of any security posted with respect to maintenance or repair of the improvements shown on the Plan.
11. All notices to be given by any of the parties hereto shall be in writing and delivered to the address of each party set forth in the heading hereof (or to such other address as may be furnished in writing for such purpose) to the attention of the individual named in the heading, if any, by postage prepaid, registered or certified mail or recognized overnight delivery service with positive tracking of items (e.g., Federal Express).
