CALL TO ORDER:

Mr. Zurl opened the continued hearing at 6:16 p.m. and announced that both parties have come to an agreement to continue the hearing until Wednesday, January 10, 2024 at 6:00 p.m. Both the Township as well as the applicant are still waiting on some information and instead of bringing everyone back to hear that it has been continued, the Township Solicitor has reached out to all residents that have party status to let them know of the continuation.
