**3. PARK REPORT**

Miss. Lichman reported on the below.

- **Goddard Park**
- **Dog Park**
- **Community Garden**

Mrs. Harper mentioned the 5 new metal beds that are for community gardening, would be best to have 3 beds rather than 5 designated to the gardens.

**4. OLD BUSINESS**

- **By-Laws Approval**

Miss. Lichman informed the committee the Red-Lined By-Laws were approved by the Board of Supervisors in the December meeting.

Mr. Glicklich requested a new print out of such be distributed with date/signatures showing such.

**5. NEW BUSINESS**

- **Park Presentation Ideas**

Mr. Engleman spoke on the Anson B Nixon flyers and questioned how we would like to portray our park and bring this together with the list that the committee worked on in last month's meeting (property vision list for the future). Mrs. Summerfield felt that the nature we have at Goddard isn't as prominent, but more active.

The piece of Goddard Park that has the Goddard House on it, Mr. Glicklich would like to know whether that is also included in the list of property for vision for the future as it is not specifically listed.

The committee also spoke on exactly how their input comes into play with the master plan and their roles and a timeline.

Miss Lichman informed them that the Master Plan is a long process, but continually in the works, but they will be informed of such information.

➤ **New Committee Member**

Alan Dopf was welcomed to the Parks & Recreation Committee.

**6. ADJOURNMENT**

A motion was made by Mr. Engleman to adjourn the meeting at 6:34. A second was made by Mr. Glicklich passing with a vote of 5-0.
